

2nd Women Entrepreneurial Mission from the Czech Republic to Israel

FRI, November 8 - SAT, November 16, 2019

Following our successful 1st Mission last year, you are invited to benefit your new experience with the innovative Israeli business ecosystem, ranging from start-ups to multinationals, venture capitals as well as advisory groups.

Visit leading institutions on ICT and high-tech innovation, such as [Technion](#), [Start-Up Central](#) and [Simon Peres Centre on Innovation and Peace](#)

Meet prominent Israeli experts, enlarge your business network and initiate new projects.

Support a relationship between the countries by planting a tree at Masaryk's forest and by visiting Israeli Parliament Knesset as well as the Czech House in Jerusalem.

Make use of women's network participants with interesting professional backgrounds. Interested to learn more details about

the 1st Mission? Read more in reflection by Lenka Čábelová, Communications Manager for CEE, Microsoft <http://www.czechleaders.com/business/innovation-it-all-begins-with-intention>

The group is limited up to **20 participants**, so make sure to save the date **November 8 - November 16, 2019** and **reserve your spot** by replying to this e-mail until July 15th, 2019.

As part of our business program, exploit some historical and nature beauty, such as Old City of Jerusalem, Nazareth, Beer Sheva, the Lower Galilee or White City Bauhaus of Tel Aviv.
